## ? Einhell Orbital Sander TC-OS 1520

The ? Einhell Orbital Sander TC-OS 1520 is a replacement part / accessory for repair, servicing or replacement work. It helps keep the correct part available when equipment needs maintenance or a worn item needs replacing.

**Ideal for:** workshops, repair counters, landscapers and customers maintaining compatible garden equipment.

**Main benefit:** helps reduce downtime by replacing worn, damaged or service-related parts. Correct fitment is important, so the SKU, model and part number should be checked before ordering.

### Why buy this product?

- Helps keep equipment running reliably and reduces unnecessary downtime.
- Useful for repair, servicing and preventative maintenance.

|                                                                                          |                                                                                            |                                                                                |
