Description of the Power X-Change family, 1x 18 V battery required
4 functions: Drilling, impact drilling & chiselling with/without fixing
Pneumatic impact mechanism for easy drilling in concrete
Powerful motor and metal transmission for high torque
Universal SDS-Plus tool adapter with semi-automatic operation
Finely adjustable speed electronics for delicate work
Infinitely adjustable depth stop for drilling precise holes
Clockwise and anticlockwise rotation for tightening and loosening screws
Ergonomic handle section with Softgrip
Auxiliary handle with ribbing for secure grip

Incl. LED light to illuminate the working area
Supplied without battery or charger (sold separately)

Article description

The Einhell cordless hammer drill TE-HD 18/20 Li-Solo is a powerful member of the Power X-Change system, where batteries, chargers and tools can be flexibly combined across the system. Thanks to its 4 functions, the powerful rotary hammer is not only used for hammer drilling, but also for drilling and chiselling with and without fixing. The pneumatic impact mechanism ensures a powerful 1.8 joules impact force. The cordless rotary hammer drills holes with a diameter of up to 30 mm in wood, 20 mm in concrete and 13 mm in metal. The powerful device achieves a maximum stroke speed of 4,750 rpm at an idle speed of max. 1,200 rpm. With all the power, the speed electronics ensure material- and application-appropriate work. The universal SDS-Plus tool adapter is equipped with semi-automatic operation. Thanks to its ergonomic shape with softgrip surfaces and additional handle, the 2.6 kg rotary hammer lies securely in the hand even when drilling into stubborn materials. The cordless hammer drill also includes an LED light for optimal illumination of the working area, as well as an individually adjustable depth stop for precision drilling. Delivery does not include a battery or charger, but these are available separately, for example as a practical Power X-Change starter kit.

Technical details

Impact strength 1.8 J
Max. drilling power concrete 20 mm
Max. drilling power metal 13 mm
Max. drilling power wood 30 mm
Motor type Brush motor
Motor voltage 18 V
Number of batteries included in delivery 0 pcs
Number of chargers included in delivery 0 pcs
Number of transmission gears 1
Product weight 2.71 Kg
Transmission material Metall
