Article description

The Einhell TE-CD 18/2 Li-i +22 cordless impact drill (1x2.5 Ah) is the all-rounder in the three most important DIY disciplines. Screwdriving, drilling and percussion drilling functions are optimally combined in this cordless tool. As a member of the Power X-Change family, it offers cordless freedom - anytime, anywhere. The 2-speed gearbox serves the user for powerful screwing and fast drilling. In addition, the included percussion drilling function ensures joint-gentle application for all work in the home, workshop and garage. The ideal number of strokes is delivered in the respective gear. The single-sleeved quick-action drill chuck (13 mm) is made of solid metal. Whether bit or drill bit, the suitable accessories can be changed quickly thanks to the automatic spindle lock. The torque-slip clutch ensures sensitive work for delicate inserts. Low speeds in soft materials are therefore not a problem, thanks to the 20 torque levels. The ergonomic Softgripp supports comfortable working even during longer periods of use. The work area is illuminated by LED light. The set is immediately ready for use thanks to the extensive accessories. The scope of delivery includes the practical belt clip, a 2.5 Ah PXC battery and quick charger as well as an extensive bit and drill set with 22 parts, all neatly stowed away in the practical E-Box Basic case.

Technical details

Accumulator 18 V | 2500 mAh | Li-Ion
Number of gears 2
Idle speed (gear 1) 0-350 min⁻¹
Idle speed (gear 2) 0-1250 min⁻¹
Max. torque hard 44 Nm
Number of torque steps 20 settings
Drill chuck 13 mm | single sleeve
Drilling capacity in concrete 8 mm
Impact rate (gear 1) 0-5250 min⁻¹
Impact rate (gear 2) 0-18750 min⁻¹
Number of accumulators 1 Pieces
