- Additional adjustable handle with quick fastener
- Metal gearing for a long life
- OREGON quality blade and chain
- Toolless chain tensioning and chain change
- Blade made of laser-cut and diamond-grinded steel
- Sturdy bag for storage and transportation
- Carrying belt
- Oil tank for automatic chain lubrication
- Supplied without battery and charger (available separately)

Article description

The cordless multi-functional tool GE-HC 18 Li T is a powerful device to cut branches upside and high hedges easily from the ground. Thereby, the metal gearbox provides a long service life, and the OREGON quality blade and OREGON chain ensure clean cutting results.

The top part is rotatable for 90° and allows effortless horizontal cuts. The claw stop prevents slipping during the sawing works. The automatic chain lubrication supplies the Oregon chain with the needed lubrication by means of an oil container.

If necessary it can be tightened and changed with its practical chain tension without any tools. A chain catch bolt prevents the unwanted slipping of the chain from the blade reliably. The hedge trimmer knives made of laser-cut and diamond-ground steel ensure clean cutting results. The hedge trimmer can be transported safely and comfortably in the stable bag.

The infinitely adjustable telescopic handle can exactly be set from 880 to 1820 mm to the required working height. The also infinitely adjustable, additional handgrip can be adapted to any user due to its practical quick lock. To execute even difficult cuts aloft cleanly and precisely, the motor head can be sloped 7-fold and the main grip 4-fold. Therefore, they can be adjusted to every working situation.

Battery and charger are not included in delivery.

Technical details

- Chain thickness 1.3 mm
- Cutting length chainsaw 170 mm
- Cutting length hedge trimmer 400 mm
- Max. chain speed 3.76 m/s
- Motor type Brush motor
- Motor voltage 18 V
- Number of batteries included in delivery 0 pcs
- Number of chargers included in delivery 0 pcs
- Oil tank content 125 ml
- Product weight 3.9 Kg
